**GAME STORY**

Jackie Chan and his twin sister, Josephine, were two of China’s best kung fu fighters. Trained together from birth, they were a formidable team. All was fine, until their Master’s arch enemy, the Sorcerer, returned from behind the Great Wall to seize power and rule China. The Sorcerer put a spell on Josephine and made her disappear, believing that neither twin would be strong enough to defeat him without the other.

Along the way, the Sorcerer sends his henchmen to try to destroy Jackie. Watching over the young Kung Fu fighter, his master guides and instructs him through the action-packed ordeal.

Jackie must now rescue his sister and save China by defeating the Sorcerer and the evil monsters created by the Sorcerer’s magic.
